

NITA ATHI RIVER AT A GLANCE

NITA Athi River is located 30km from Nairobi along Namanga Road at the border of Athi River and Kitengela towns. It is directly opposite the junction to EPZA and adjacent to Savannah Cement Ltd. NITA ATHI RIVER is a well-equipped Industrial and Technical training institution under the National Industrial Training Authority (NITA) in the Ministry of Labour and Social Protection. The Centre offers learners a variety of career-focused certificate courses in Engineering, Fashion Design, Hospitality and Hair Dressing & Beauty Therapy up to and including Master Craftsperson level. The Centre takes a motivational and competency-based approach to trainee instruction
